Director Job Description:

The main duty of the Regional Directors is to provide customer service and support to all members in their given states. It is imperative to develop a personal touch so the members know they have the support and encouragement they need to be successful. Each Director will be given a list of states that they will serve the members residing in those states. You are to be a leader and set high standards within the organization by your actions and interactions with all members.

Duties

- ❖ Attend meetings - most communications are done electronically or via the telephone.
- ❖ Gather suggestions as given for club development from members.
- ❖ Encourage new memberships.
- ❖ Encourage member involvement.
- ❖ Make sure your members know they have a voice in what goes on with AKKPS.
- ❖ Remind them of deadlines.
- ❖ Represent your states with their interests in mind, while embodying the core values of AKKPS: leadership, caring, inclusiveness, and character-building.
- ❖ Other duties may be assigned as needed as directors rotate off and to distribute the duties among the 7 directors; such as treasurer, newsletter editor, social media pages, new member welcome packages, new member emails, handling special projects, maintaining the membership list with UC Davis, and other various duties.
