

# American KuneKune Pig Society

## Dual Registration

The AKKPS will accept for registry any KuneKune that has been previously registered with another registry and has 3 generations of registered lineage. In order to register a litter of piglets with the AKKPS, both parents must be AKKPS registered. Fill out the below form for each pig.

USA Members: \$18

Canadian Members by email: \$18

Canadian Non Members: by email \$36

USA Non Member \$36

Canadian Member by mail: \$21

Your Name: \_\_\_\_\_

Farm Name: \_\_\_\_\_

Is pig belted, banded or high percentage white? \_\_\_\_\_

Call Name if different than registration (can only change call name if no offspring) \_\_\_\_\_

Please include a scanned **copy** (no originals please) of the following for each pig you would like to dual register with the AKKPS:

Official Registration Certificate from the issuing registry

Please note that AKKPS reserves the right to request DNA parentage verification if deemed necessary and the right to refuse dual registration on pigs without a complete pedigree.

Please include a check (made payable to the **Competitive Advantage Business Solutions, LLC**) that corresponds with the number of pigs you are dual registering with the AKKPS along with the above documentation and send to:
