

American KuneKune Pig Society

Piglet Registration

Note: A litter notification must be filed prior to completing a piglet registration. Both parents must be AKKPS registered as well. If both parents are not AKKPS registered yet, please use the dual registration form to register the sire and dam with the AKKPS. Both the Litter Notification and Dual Registration forms can be found on our website.

USA Member Fee - \$12

CAN Member Fee - \$13.50

USA Non-Member Fee - \$24

CAN Non-Member Fee - \$25.50

Piglet Registration Number: _____

*provided to you after Litter Notification

Piglet Registered Name: _____

Breeder: _____ Herd Name: _____

ID Microchip Method: Tattoo Eartag

ID _____ Number: # of Wattles: _____

_____ Gender: DNA Case #: _____

Color: _____ Call Name: _____

The following is required to register a piglet with the AKKPS:

DNA Parent Verification Report (from UC Davis)

New Owner Name:

Address to send paperwork to:

Address: _____

City: _____ State: _____ Zip: _____

Please include a check (**made payable to the Competitive Advantage Business Solutions, LLC**) that corresponds with the registration fee(s) and send to:

Kathy Petersen, Registrar
17500 Hamilton Arms Court
Dewitt, VA 23840

**Disclosure - please note that completing this piglet registration confirms your permission and authorization that our Registrar, Kathy Petersen, may update names to your DNA records for renaming purposes when the parent comes back different than the litter notification.

Example: You litter notify a sire as an Andrew and DNA results show he is a Mahia Love. Therefore, his name given on the litter notification will need to be updated. You will get a new report from UC Davis once this change has been done and no further steps are necessary on your part.
