Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(7). This letter could help resolve questions on your exempt status. Please keep it for your records.

Donors cannot deduct contributions they make to you under IRC Section 170(c)(2).

As an organization described in IRC Section 501(c)(7), you're permitted to receive up to 35 percent of your gross receipts, including investment income, from sources outside of your membership without losing your tax-exempt status. Of the 35 percent, not more than 15 percent of your gross receipts can come from general public use of your club facilities or services. Income in excess of these limits may jeopardize your continued tax-exempt status.

Based on the information you submitted in your application, we approved your request for reinstatement under Revenue Procedure 2014-11. Your effective date of exemption, as listed at the top of this letter, is retroactive to your date of revocation.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.
